

COMPRESSED AIR, GAS, PLUMBING & CABLE TV CONDITIONS

1. Plumbing services are only available from the floor.
2. Water/Drain connections include one (1) connection to the exhibitor's equipment. Charges will apply for additional connections.
3. Natural gas connections include one (1) connection to the exhibitor's equipment. Charges will apply for additional connections.
4. Compressed air pressure may vary. No guarantee can be made of minimum and maximum pressure. If pressure is critical, please contact Exhibitor Services at **407-685-9824**.
5. The Orange County Convention Center (OCCC) must approve and perform any and all booth anchoring/drilling.
6. The OCCC will not branch/split gas, water, or drains from one location to another to achieve multiple locations. The OCCC is not responsible for gas or plumbing distribution installed by others.
7. All gas will be removed or shut off one (1) hour after the close of each day. LP gas prices include hook-up and dismantle of tank each day.
8. Please provide an attached drawing indicating location of your connection(s). If a drawing is not provided, the OCCC will install the service in the most convenient location and charges will apply for relocation.
9. Labor charges may apply for service calls.
10. All equipment must comply with the Southern Building Code, all Federal, State, and local safety codes.
11. Claims will NOT be considered unless filed by the exhibitor before the close of show at the OCCC service desk.
12. All material and equipment furnished by the OCCC shall remain the property of the OCCC and shall be removed ONLY by the OCCC at the close of show.
13. The Center reserves the right to refuse connection to any exhibitor whose equipment is deemed unsafe by the OCCC.
14. Unless otherwise directed, OCCC personnel are authorized to cut floor coverings to permit installation of service.
15. Obstructions and blocking utility floor boxes are subject to relocation as necessary.
16. The exhibitor must notify the OCCC Exhibitor Services desk for installation if no detailed diagram has been submitted indicating the location of the ordered services.
17. OCCC's cable tv service includes both non-HD and HD service. Your TV must be equipped with a HD Digital Tuner to get HD channels. If your TV does not have an HD Digital Tuner, you will only be able to view non-HD channels.
