SECTION 5 PAYMENT FOR SPACE

5.1 General:

All monies paid shall be retained by Show Management and are non-refundable and non-transferable in the event the exhibitor fails to fulfill or violates their contract. If the exhibitor fails to submit booth payments by the specified times Show Management is handed the right to take possession of the space and sell it to another party.

There will be no refunds for cancellation or no-shows.

5.2 Advance Payment:

Exhibitors are required to pay in advance for all space requested. Acceptance of payment with the exhibitor application should not be construed to mean payment has been made in full. Any discrepancies in balance will be billed.

*Subletting: The subletting of exhibit space without the prior written permission of Show Management is prohibited.

7.1 Staff Hours:

An authorized representative or dealer of the exhibitor must staff each exhibit during all open, public convention hours. This includes all set-up and tear down hours in which the exhibitor has a display in place. Exhibitors are asked to make sure the booth is staffed during these times, as this is when booth theft tends to occur.

7.2 Breakdown:

Exhibitors may not break down their display before the Show closes on the last day of the Show without permission from Show Management. **If there is an emergency and you require an early breakdown, please contact:** exhibitors@fanexpohq.com.

7.3 Character of Exhibits:

Character of exhibits is subject to approval from Show Management, and all decisions regarding the display of materials shall rest solely with Show Management.

7.4 Verbal Agreements:

All agreements concerning exhibit space must be in writing. No verbal agreements — including those involving space confirmation, placement, and payment — will be honored.

7.5 Space/Placement Guarantee:

Filling out an application for exhibit space does not guarantee requested or specific space or placement. Placement of your booth and/or table is at Show Management’s sole and absolute discretion although we will do our best to accommodate requests.

SECTION 8 DISPLAY REGULATIONS

8.1 Neighboring Exhibits:

No exhibit may block or interfere with a neighboring exhibit.

All Corporate Booths 20 ft. x 20 ft. or larger must submit a floor plan no later than 30 days prior to Show start. Please see page 5 for deadline to submit.

8.2 Booth Terminology & Configurations:

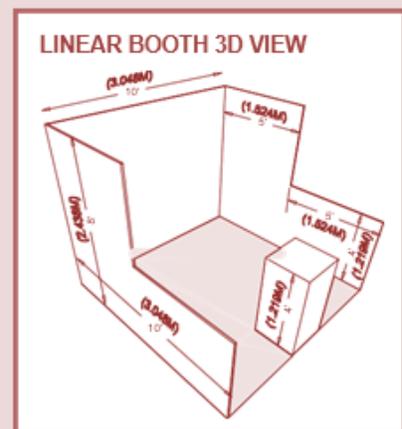

Based on a 10 ft. x 10 ft. exhibitor space.

LINEAR BOOTH

Linear Booths, also called “in-line” booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

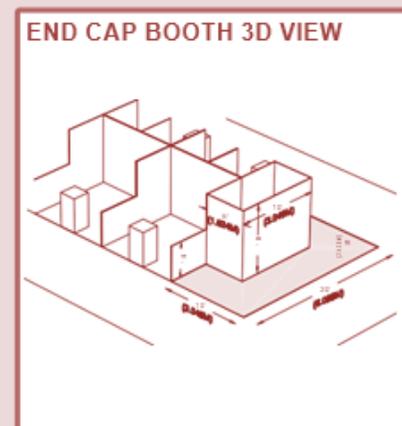

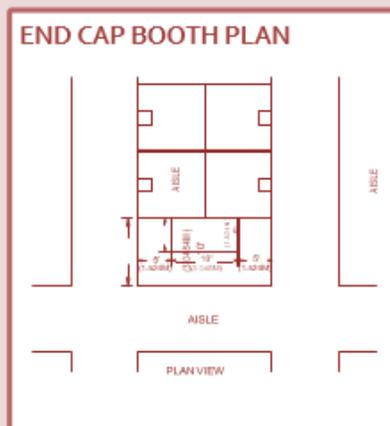

Regardless of the number of Linear Booths utilized, display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. **The maximum height of 8 ft. is allowed only in the back half of the booth space, with a 4 ft. height restriction on all materials in the remaining space forward to the aisle.**

NOTE: When three or more Linear Booths are used in combination as a single exhibit space, the 4 ft. height limitation is applied only to that portion of exhibit space which is within 10 ft. of an adjoining booth.

END CAP BOOTH

An End-cap Booth is exposed to aisles on three sides and comprised of two booths. The maximum back wall height of 8 ft. is allowed only in the rear half of the booth space and within 5 ft. of the two side aisles, with a 4 ft. height restriction imposed on all materials in the remaining space forward to the aisle.

PENINSULA BOOTH

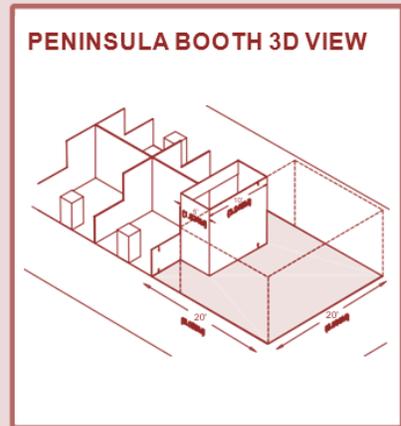

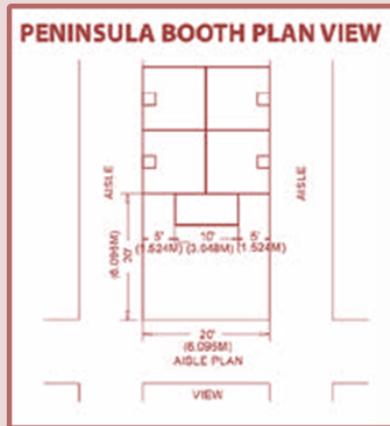

A Peninsula Booth is exposed to aisles on three sides and comprised of a minimum of four booths. There are two types of Peninsula Booths:

(a) one which backs to Linear Booths

(b) one which backs to another Peninsula Booth and is referred to as a "Split Island Booth."

When a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to 4ft high within 5ft of each aisle, permitting adequate line of sight for the adjoining Linear Booths.

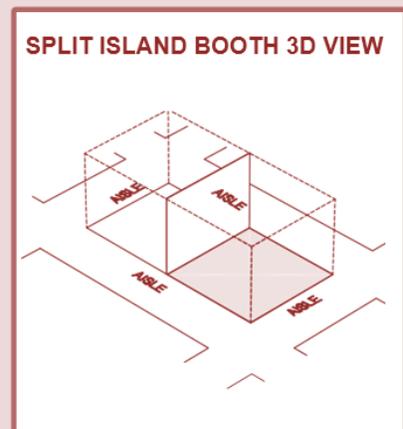

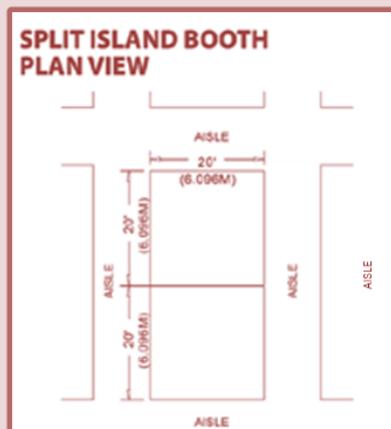

Double-sided signs, logos and graphics shall be set back 10ft from adjacent booths.

SPLIT ISLAND BOOTH

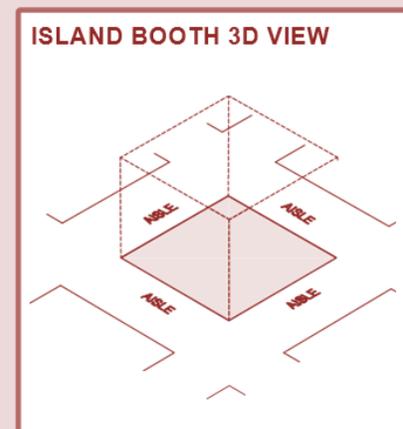

A Split Island Booth is a Peninsula Booth, which shares a common back wall with another Peninsula Booth. The entire cubic content of this booth may be used, up to the maximum allowable height, without any back wall Line-of-Sight restrictions.

The entire cubic content of the space may be used up to the maximum allowable height. Double-sided signs, logos and graphics shall be set back 10ft from adjacent booths.

ISLAND BOOTH

An Island Booth is any size booth exposed to aisles on all four sides. The entire cubic content of the space may be used up to the maximum allowable height.

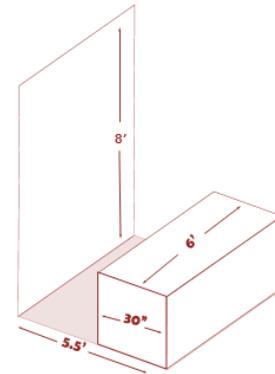

ARTIST ALLEY

Artist Alley spaces include a 6 ft. by 30 inch skirted table. The entire Artist Alley space provided is 5 ft. x 6 ft. including the table. Artist Alley exhibit spaces must be set up so that the long edge of the skirted table remains parallel to the aisles and 5 feet from the front of the table to the back of the space. Exhibit fixtures, components, and identification signs will be permitted to a **MAXIMUM HEIGHT OF 8FT.** Artist Alley spaces may not be set up like booth space. No sidewalls are allowed. No overhead arches or display space for merchandise will be permitted. No portion of the table may protrude into any aisle during show hours.

Please Note: Premium Artist Alley spaces are 12 ft. wide x 5 ft. deep, including 2 skirted tables and a 3 ft. pipe and drape across the rear of the space.

ARTIST ALLEY BOOTH 3D VIEW

TOWERS

A tower is a free-standing exhibit component separate from the main exhibit fixture. The height restriction is the same as that which applies to the appropriate exhibit space configuration being used. Towers more than 8 ft. must submit drawings no later than 30 days prior to move-in. Fire and safety regulations in many facilities strictly govern the use of towers. A building permit or safety lines may be required.

8.3 Cleaning of Exhibit Hall:

Your exhibit merchandise and ALL other items must be out of the aisle ways **1 hour prior to Show opening.**

Trash should **not** be placed in the aisles. Exhibitors must take all care to keep their booths clean at all time. Aisles of the Exhibit Hall will be cleaned each night. The exhibitor is responsible for placing all trash in the appropriate container.

8.4 Booth Floor Plan:

Floor plans for spaces larger than 20 ft. x 20 ft. (400 sq. ft.) must be submitted 30 days prior to Show start. Plans received after this deadline may be disallowed by the Fire Marshall with no recourse. Floor Plans must note any vehicles (functioning cars, motorbikes, etc.), lighting structures, canopies or covered portions of the booth. Booths will require Show Management's final approval. Some booth elements and designs may not be approved even though they meet Fire Marshall codes and regulations.

8.5 Flooring:

Painting, nailing or drilling of floor is not permitted. If two-sided tape is used, it must be completely removed by the exhibitor during move-out. Exhibitors must not use masking tape, clear packaging tape or duct tape to adhere the covering to the Show floor. The recommended tape is Scapa Tape which is a high-adhesion double-sided cloth tape commonly used at trade shows; it leaves almost no residue upon removal.

NOTE: Upon removal of each booth, Facility Management and Show Management will inspect each space for any damages incurred by the exhibitor and to check that all materials, including tape residue left on the floor, are properly removed. Any charges to make good the exhibit space will be passed on to the exhibitor.

8.6 Lights:

No strobe or flashing lights are permitted as part of any exhibit display. Flash photography is permitted.

8.7 Draping:

Drape must hang at proper length and may not be pulled up to sell or display merchandise. No drape on an aisle table may be removed during the Show. It is suggested that all aisle tables are draped.

8.8 Display Safety:

All materials, displays, and products must be safe, stable, and resistant to collapse and fire. Display materials must be made of non-flammable material and conform to CAN/ULC-S109 (Flame Tests of Flame-Resistant Fabrics and Films) or be treated to ensure it will pass a field flame test (NFPA 705). Show Management reserves the right and sole discretion to decide whether an exhibitor meets this definition.

8.9 Covered Booths:

No exhibit space may incorporate a tent, partial or full roof or overhead covering of any kind without prior written approval. Partially covered booths must submit a Height and Line-of-Sight Variance request, please see Section 10. All partially covered booths are subject to additional rules and regulations.

8.10 Motorized Display Vehicles:

All vehicles must abide by the move-in and move-out schedules and procedures established by Show Management and are subject to inspection by the Fire Marshall prior to move in on the floor. Exhibitors will be billed for such inspections.

Any vehicle that drips oil or other staining solutions may not be operated within the venue without a drip pan or dry absorption powder. Exhibitors will be charged cleaning costs for staining solutions not removed.

No motorized vehicle may be operated on carpeted areas under any circumstances. Exceptions may only be authorized by Show Management.

All vehicles being displayed in the venue must have drip pans underneath them and pads under all tires.

Fuel tanks containing fuel, or which have ever contained fuel shall be maintained less than 1/4 full. Caps for fuel tanks fill pipes shall be of the locking type and be maintained locked to prevent viewer inspection. If they cannot be locked, they shall be taped shut to prevent escaping vapors.

The electrical system shall be de-energized by either:

- a) removing the battery or
- b) disconnecting both battery cables and covering them with electrical tape or other similar insulating material.

- Tanks containing propane shall be maintained less than 1/2 full. Vehicles may be driven in and positioned. Engine should remain running, with valve shut off. Allow engine to run until all the fuel line is used up. Turn ignition off. Vehicle keys must always remain within the building.

8.11 Signage:

The minimum exhibit space allowed for hanging banners is 20 ft. x 20 ft. (400 sq. ft.). All signs that will hang 10 ft. or higher from the floor must be approved by Show Management prior to installation. All exhibitors must order banner hanging through the venue (Calgary Stampede Event Services – 403-261-0377). Nothing may be hung from the ceiling without prior written permission of Show Management. Please see Section 9 for more information.

If you feel that your display does not conform to the display rules, please contact the Operations team.

8.12 Maintenance:

The exhibitor shall maintain their display in a clean and orderly manner and shall take such action as may be necessary to prevent injury or damage to any person or exhibits in the Exhibit Hall.

SECTION 9 BANNERS & BOOTH SIGNAGE

All signs must be single-sided. The only exception will be for signs hung from the ceiling. Banners that are above and attached to your booth must be single-sided. Only exhibitors with a booth greater than or equal to a 20 ft. X 20 ft. island or peninsula exhibit may hang signs from the ceiling. Exhibitors with 10 ft. X 20 ft. end caps **MAY NOT** hang signs.

Nothing may be hung from the ceiling without prior written permission from Show Management. All signs greater than 10 ft. high must be approved by Show Management prior to installation.

Show Management must approve all banners hung from the ceiling for content and size.

Please email an example or mock-up of your banner to Breanne Ruskowsky at breanne@fanexpohq.com prior to installation. All banners **MUST** be hung through the venue (Calgary Stampede Event Services).

SECTION 10 HEIGHT & LINE-OF-SIGHT VARIANCE

As a courtesy to you and your exhibiting neighbours, we try to keep all linear booths at a consistent height. This is to allow all exhibitors equal opportunity to have their booth seen and to conduct business on the floor.

In a linear booth, exhibit fixtures, signs and all components, are permitted a maximum height of 8 ft. If you do not comply with the line-of-sight rules, you will be asked to adjust on-site.

If you need to request a height and/or line-of-sight variance, you must do so no later than 30 days prior to move-in. Please send a copy of your floor plan, including elevation, and a brief description of the variance to Breanne Ruskowsky at breanne@fanexpohq.com. Please include your company and contact info.

SECTION 11 ELECTRICAL COMPLIANCE

11.1 Code:

Electrical wiring and equipment must carry the appropriate ULC or CSA listing. Please see the venue's electrical forms for information and conditions of electrical services.

11.2 Noise:

Any electrical or other mechanical apparatus must be muffled so that the noise does not bother the other exhibitors.

SECTION 12 LIABILITY

Exhibitor will hold harmless Show Management and Host Facility, or any of their respective officers, agents, employees, representatives or affiliates, from any liability, damage, loss, harm,

claim, or injury to property or person of the Exhibitor, Exhibitor officer, agents, employees or other persons, whether caused by the negligence of the Show Management or Host Facility, or from theft, fire, water, accident or any other cause whatsoever.

SECTION 13 FORCE MAJEURE

If, due to circumstances beyond the reasonable control of Show Management:

- (a) Event is postponed, canceled (in whole or in part) or moved to a different location
- (b) The venue or its exhibitor area is unavailable (in whole or in part)
- (c) The installation, exhibition or move-out time for exhibit booths is reduced. There will be no refunds (in whole or in part) of exhibitor or advertisement fees.

For purposes of this Section, the term circumstances beyond the reasonable control of Show Management shall include, but is not limited to: power outage, fire, earthquake, flood or other weather conditions, labour dispute or strike, war, riot, act of public enemy, acts of violence by third parties, governmental and municipal acts or ordinances, and other acts of God.

SECTION 14 SOUND

14.1 Levels:

Exhibitors must monitor their own booths to be sure that noise levels from sound systems or any other device/activity are kept to a minimum and do not interfere with others. Show Management will be monitoring the sound levels of all booths and may require that an exhibitor turn down the sound level in their booth. Failure to comply may result in any sound system in the booth being turned off.

14.2 Interference:

Speakers and sound systems must be turned to the inside of the booth. The use of sound systems or equipment producing sound is an exception to the rule, not a right. Show Management reserves the right to determine at what point sound constitutes interference with others and must be discontinued.

14.3 Devices:

No megaphones, bullhorns, or microphones will be allowed. Exceptions may be made on a case-by-case basis. Please contact Show Management for more details.

SECTION 15 EXHIBITOR OFF-SITE EVENTS

Exhibitor off-site events that conflict with Show or conference hours must have the approval of Show Management.

SECTION 16 IN-BOOTH EVENTS

Celebrity Signings can be a great way to get the attendees to your booth. However, because of the crowds at the event, we need to make sure these signings are as safe and well organized as possible. All Celebrity Signings must be coordinated with Show Management a minimum of 30 days in advance. Not all booths will be able to

accommodate all signings. The best way to get approval for your signing is to have a plan for controlling the lines in your booth during any signings. Please note that you may be required to hire security for high traffic events. Additional security must be booked through Show Management and will be billed to the exhibitor directly. Please contact Breanne Ruskowsky at breanne@fanexpohq.com for more information or with any questions.

16.1 Signing Events:

Exhibitors must space at least 30 minutes between signing events. Exhibitors may not have more than one signing event going on in their booth at any given time. All in-booth signings must be coordinated with Show Management. Certain restrictions will apply. Not all signings may be allowed on the exhibit floor. Please contact Show Management for information pertaining to individual exhibitor specifics.

16.2 Aisle Interference:

Giveaway tables, autograph tables, video viewing tables, or demonstration tables must be placed a minimum of 2 ft. back from the aisle. Video games should be installed at the back of the booth to accommodate persons playing as well as onlookers. Should participants and/or onlookers interfere with the normal traffic flow of the aisle or overflow into the neighboring exhibits, Show Management may discontinue the activity.

16.3 Prizes:

No drawings for prizes may be held that require the winner be present to win. This includes trivia contests, audience participation events, and scavenger hunts. Absolutely no games or contests where a fee is charged to participate are allowed. This includes bingo-type games, wheels of fortune, card picks, raffles, and grab bags as well as video games and other arcade style games. No contest will be allowed that involves the consumption of any food or beverage. Contests must comply with applicable provincial and federal regulations.

16.4 Giveaways and Flyer Distribution:

Giveaways and flyer distribution must take place from within an exhibitor booth only, and never in aisles, lobbies, outside Show site, or in any other part of the venue.

16.5 Stickers:

No exhibitor may give away or distribute stickers. Exhibitors will be charged for removal of stickers found adhered to walls, furnishings, or any part of the venue.

16.6 Security:

Exhibitors requiring additional security for in-booth events must request this through Show Management. Additional security will be billed directly to the exhibitor. Please submit your request a minimum of 30 days prior to the show to ensure crowd safety and flow is maintained. Please contact Breanne Ruskowsky at breanne@fanexpohq.com with questions or to make your request.

SECTION 17

HOUSE RULES

17.1 Clear Aisles:

No walls, drapes, hooks or fixtures of any kind shall be permitted on or protruding into the aisle without prior written consent. All product/boxes/trash must be clear of the aisles 60 minutes prior to Show opening.

17.2 Fasteners:

20.5 Security Tips:

Show Management will take all reasonable security precautions to safeguard the premises. While we provide security, exhibitors must be vigilant and aware of your possessions. We strongly suggest you take the following precautions:

- Wear your badge during set-up and tear-down to help us identify anyone who does not belong in the Hall.
- Do not leave your keys or valuables (such as purses, cash boxes, or stock) in your vehicle at any time.
- During Show hours, keep personal items like purses and briefcases locked up and out of sight from the public. DO NOT leave them behind drapes or underneath tables. This is the first place that is targeted.
- Do not leave any cash or credit card slips in your booth. Take them with you and make daily bank deposits.
- We strongly recommend that you close off the front of your booth each night with a cloth, mesh, netting, etc. that will prohibit anyone from entering your booth when you are not there.
- Walk to and from the Exhibit Hall with someone, especially if carrying large sums of money.
- Report suspicious behavior to the Show Office immediately!
- Do not leave your booth unattended. Be sure to be at your booth before Show opening. At Show closing do not leave immediately; wait until the public clears the floor.
- Always Keep fire doors closed. Never prop open a fire door.

In the event that any situation or activity is deemed to be unsafe by Show Management, the venue, the Fire Marshall or the Police, you agree to immediately make all necessary changes and corrective actions.

SECTION 24

SHOW MANAGEMENT'S EXCLUSIVES POLICY

All limited-edition giveaways and/or Show Exclusives must be approved by Show Management. The exhibitor will be allowed to set the parameters of the Limited-Edition Giveaway and/or Show Exclusive: for example, every attendee may enter only once, a certain amount will be given away and/or purchased each day, etc.

No lines will be allowed to form outside of the exhibitor's booth and/or table. If a line impedes on aisle traffic or a neighboring exhibitor, the Show Exclusives sale will not be allowed to continue, and the exhibitor must stop all sales immediately.

Show Management will work with you to reschedule the sales of your Show Exclusives at a time when it will no longer impede traffic or other exhibits. No sales will be allowed either before or after public Exhibit Hall hours.

An Exhibitor Appointed Contractor is any non-official company you choose to utilize for move-in/set-up/move-out. Exhibitors are responsible for informing their appointed contractors of the below information/requirements to ensure a smooth transaction.

All outside contractors must fulfill the following:

- Current Workers Compensation Insurance Certificate
- A certificate showing general liability and property damage coverage
- An Exhibitor Appointed Contractor Form signed by the exhibitor
- Appointed contractors must also register via Voyage Control to gain access to the Halls

Failure to fulfill the above requirements will jeopardize the contractor's ability to obtain proper badges/admission to the Show floor.

If you plan to use an Exhibitor Appointed Contractor, you must fill out the form found on our website and return it to Show Management by the deadline date as indicated on the form. You may email it back to Breanne Ruskowsky at breanne@fanexpohq.com.

All Exhibitors are required to ensure health and safety of everyone, including their on-site employees and suppliers/contractors retained to provide services on their behalf on the show floor. To ensure that everyone understands the importance of these requirements, all Exhibitors are required to read the "Exhibitor Health & Safety Compliance Reminder" which can be found on our website under the Exhibitor Info and Order Forms section.
