

# EDMONTON EXPO CENTRE EXHIBITOR PARKING

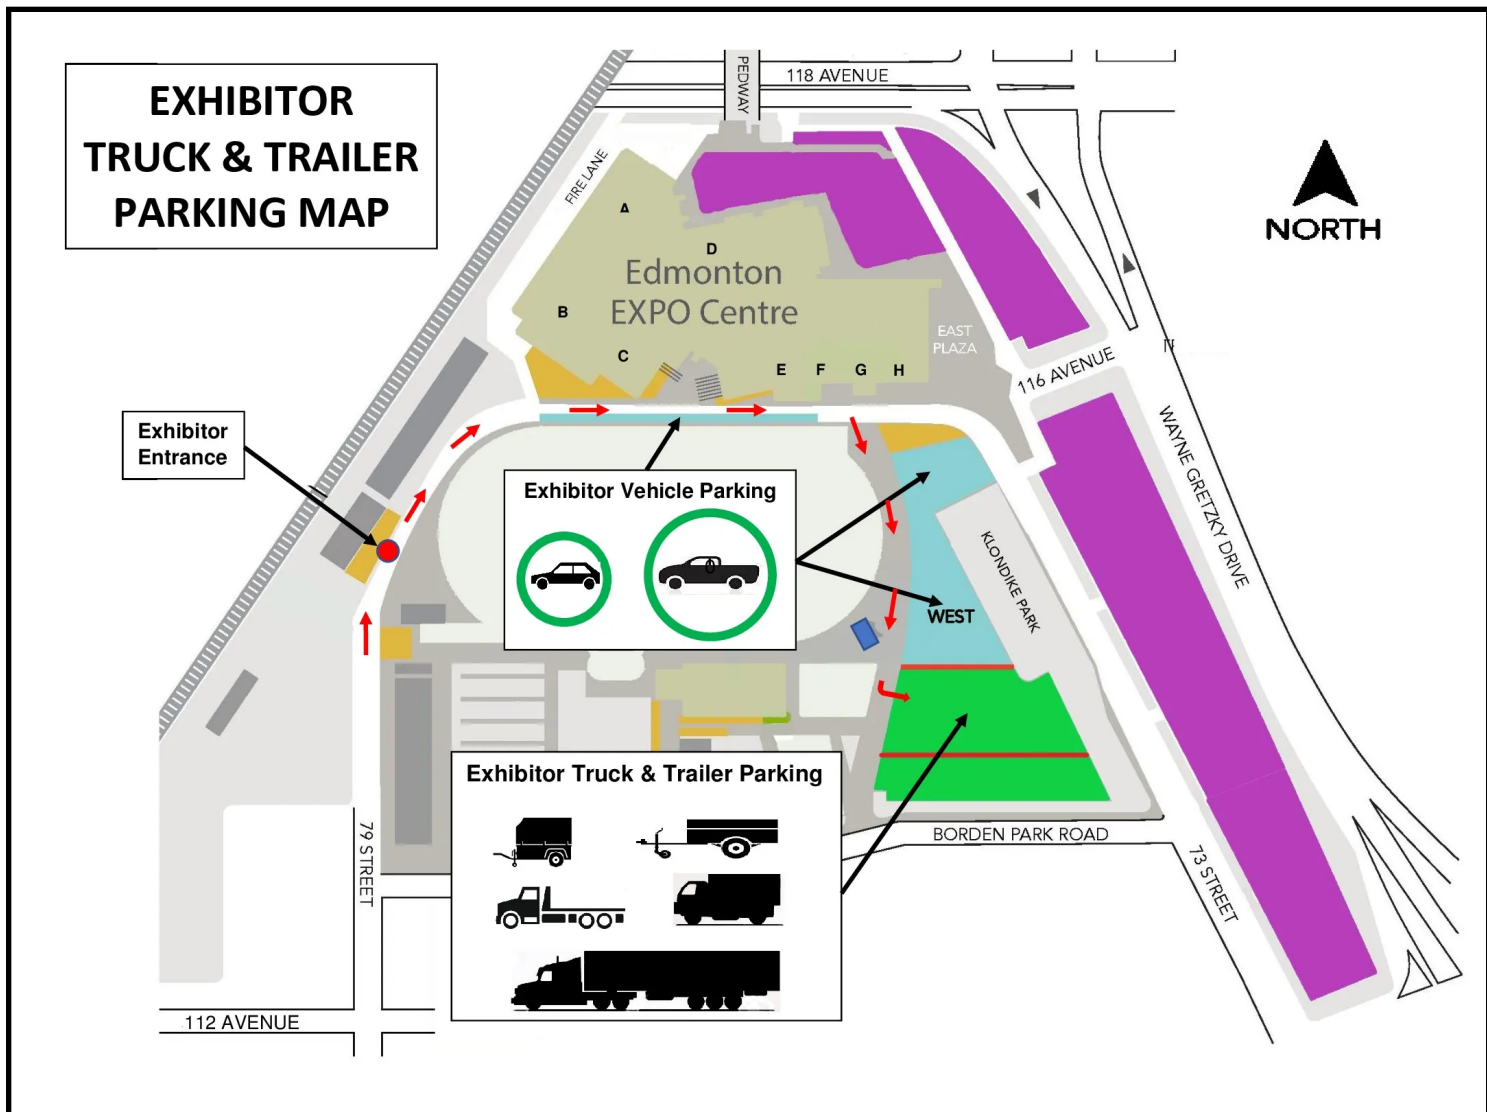

## Exhibitor parking

All exhibitors are required to use the 79th Street entrance off of 112th Ave. Please contact your event manager to set up online event parking passes for your exhibitors. Event parking passes include move in & out days as well as event days. If an exhibitor does not purchase an event pass, they will be required to pay the daily guest parking rate. Note- paid parking is in effect every day, including move in and move out days. License plates must be registered in the system to avoid being ticketed and/or towed.

Please encourage your guests to use the 73rd Street entrance off of 112th Ave for easier entry onto the grounds.

## Trailer Parking

Parking for trailers and other oversized vehicles is available in the West Parking Lot. All trailers must use foot pads and wheel chocks when parked. Failure to comply may result in additional fees or fines. Individuals are responsible for bringing their own pads and chocks. Trailers must also pay for parking. If you have a truck and a trailer, you will need to purchase parking for both the truck and the trailer. All plates must be registered in the system.
